4-H Food Stand Sign Up 2019

This survey is sent out on behalf of Lucky Clover and Atchison Shamrocks 4-H clubs.

Based on 4-H family input to this survey the committee will develop the 4-H food stand work schedule. This survey has been designed to give every family an equal opportunity to list their preferred times to work. We know fair is a busy time for all 4-H families. Creating the "perfect work schedule for everyone" is a difficult task. The committee asks each family to select both daytime and evening shift preferences. Based on your input, each family will be scheduled to work 1 daytime and 1 evening shift. As evening shifts can be the most challenging to fill, families are welcome to request evening shifts only.

Profits from the food stand support many 4-H activities during the year. It is these monies that allow your 4-Her to visit with the judge related to their project skill development during fair. Please respond to this survey by July 3.

If you encounter any problem completing this survey, please call us at 913-833-5450 or send us an e-mail at AtchisonCoExt@ksu.edu. Survey link is also posted on the website.
