

Arts & Crafts Judging Schedule Tuesday August 8th, 2017 Blue Building

This year we are trying a new arts and crafts judging schedule. Rather than judging by club, we have pre-assigned approximate times and judges based on your project enrollment. As this years judges bring knowledge about a variety of project phase (ie painting/ceramics, etc.) we have assigned times related to the judges expertise. This means you may be visiting with 2 different judges. Times are approximate so plan to arrive about 20 minutes early. Don't forget to bring your completed artist statement on Tuesday. These are available at the Extension office of may be downloaded on the web at :http://www.atchison.k-state.edu/4-h/fair/forms_and_schedules/ . Consumer judging will be set up; you may judge while waiting.
