

## Foods Judging Schedule August 7th, 2017 Blue Building

Please note judging times listed are tentative. As your time with the judge is a time to learn, we want to allow judges enough time to offer tips for future projects and fair exhibits. As time spent with the judge depends on the number of exhibits judged, times listed are estimates. Do plan to arrive 10-15 minutes before your scheduled time. Please plan to follow the order printed rather than the actual time printed. 4-Hers being judged by more than one judge may "leave the waiting line to be judged" and then return to their place in line for the second judging. Purple ribbon foods stay with the foods clerk; perishable foods need a picture taken and other foods should be taken to the table for instructions.

**Exhibit Reminders:** Be sure to bring your recipe. Perishable foods should be kept at the proper food safe temperature. Those enrolled in food preservation should list altitude on the food preservation label. This is a USDA recommendation. (Visit with Diane prior to judging if you have questions.) Food labels available at the Extension Office or will be available at the registration table on the day of judging. Perishable foods will have a picture taken after judging. Purple perishable foods should be placed in the cooler. They will be displayed during fair. **Food Auction** Decorated foods will be sold/displayed during fair. If your exhibit is selected as a champion or reserve please plan to bring extra cookies/muffins for the food auction. We will auction cakes and pies as exhibited. 4-Hers enrolled in foods are asked to help sell foods at the auction after the style revue (approx. 8:20) in the livestock arena. You will walk around the show ring with food items. Thank you so much for helping.
