

Photography Judging Schedule Tuesday August 8th, 2017 Blue Building

We are trying a new judging schedule this year. Rather than being judged by clubs, we have assigned approximate times and judges based on project enrollment. Times are approximate so plan to arrive about 20 minutes early. Photos should be matted by judging on Tuesday. Photos should be placed in portrait position on the matt board. Mats and sleeves are available from the Extension Office. Complete details regarding matting instructions and revisions fair classes are posted at: http://www.atchison.k-state.edu/4-h/fair/forms_and_schedules/.
