

Debbie Clover enjoys growing flowers in her garden and at the sewing machine. This year she stitched up a blouse featuring sunflower fabric. Notice the pockets on Debbie's cute top! To finish the garden look, Debbie constructed these yellow capri pants. Debbie is the daughter of Chris and Mary Clover. She will be a 5th grader at Clover Middle School. She enjoys swimming and hanging out with friends.

One, two, three! You are out! Joey Clark's mom won't have to worry about getting out grass stains because Joey learned how to do laundry and treat stains this year in the clothing project. Joey will be ready for fall football game days sporting this outfit. The polo shirt was a fashion steal on the sales rack plus purple is his favorite color. The black jeans will mix and match well in his wardrobe. Joey is the son of Mike and Hannah Clark. 4-H, football and four wheeling are his favorite pastimes. Joey attends Green High School.
