

# Foods Judging Schedule    August 1, 2016    Blue Building

Please note judging times listed are tentative. As your time with the judge is a time to learn, we want to allow judges enough time to offer tips for future projects and fair exhibits. As time spent with the judge depends on the number of exhibits judged, times listed are estimates. Do plan to arrive 10-15 minutes before your scheduled time. Please plan to follow the order printed rather than the actual time printed on the 1st. 4-Hers being judged by more than one judge may "leave the waiting line to be judged" and then return to their place in line for the second judging. Purple ribbon foods stay with the foods clerk; perishable foods need a picture taken and other foods should be taken to the table for instructions.
