

#### 4-H Project List

Select the projects that you will enroll in by writing the project and the project number on the front of the card. If this is your first year in 4-H we advise you not to enroll in more than one or two projects. Other 4-Hers should consider your time commitments carefully before you enroll in more than four projects. PLEASE NOTE: For projects designated as Beginner (7-8), Junior (9-11), Intermediate (12-13), Senior (14 and older) skill mastery ages are general guidelines. When ordering project curriculum, the age and experience of the 4-H member should be considered. The Kansas 4-H Project Selection Guide, at [www.bookstore.ksre.ku.edu/pubs/4H1065.pdf](http://www.bookstore.ksre.ku.edu/pubs/4H1065.pdf) can assist in making project selections. For more information check with your club leader, Extension Agents [www.atchison.ksu.edu](http://www.atchison.ksu.edu) or Kansas 4-H web [www.Kansas4-H.org](http://www.Kansas4-H.org).

For fair premium and junior livestock sale eligibility, 4-Her must attend 3 project meetings prior to the due date. **To encourage the 4-H learn by doing philosophy, 4-Hers must attend 3 4-H project leader guided meetings (minimum of 30 minutes each) on 3 different dates throughout the 4-H year.** Goal Setting Section 1 of Project Attendance form should be completed by Feb 1. New members should complete Section 1 within a month of enrollment.

Parent prefers not to be contacted by National 4-H Council related to 4-H research studies.

To keep 4-H enrollment information secure and to improve of data management and reporting requirements, K-State Research and Extension will maintain 4-H enrollment information in an on-line database. This system will be managed on a certified secure server maintained by Cooperative Extension. **Authorization:** I understand all enrollment information may be stored in 4-H Online or a similar system. I further understand National 4-H Council will not use enrollment data to contact any youth, but may contact me as a parent/guardian. As the 4-H program is based on research, the contact will relate to 4-H outcomes research.
